# SCORING & GRADING

Transparency is essential to understanding the actions of legislators. Improving Virginia's competitiveness is essential to the continued growth of the manufacturing sector. The Virginia Legislative Competitiveness Scorecard will better inform members how frequently each legislator votes for manufacturing competitiveness. This should help members distinguish between the actions and words of the Virginia General Assembly.

The 2022 Virginia Legislative Competitiveness Scorecard includes the following bills:

## **Priority Bills:**

HB 29, HB 30, HB 73, HB 74, HB 90, HB 118, HB 158, HB 206, HB 244, HB 269, HB 270, HB 273, HB 296, HB 320, HB 414, HB 462, HB 472, HB 565, HB 696, HB 718, HB 774, HB 894, HB 971, HB 1006, HB 1059, HB 1064, HB 1173, HB 1204, HB 1261, HB 1267, HB 1287, HB 1301, SB 4, SB 50, SB 84, SB 94, SB 185, SB 187, SB 195, SB 250, SB 280, SB 416, SB 499, SB 532, SB 628, SB 657, SB 762

# SCORING & GRADING

Scoring is based on votes involving select VMA Priority and Defensive Priority bills. Priority bills are bills introduced on VMA's behalf, or a coalition to which it belongs, and directly relates to VMA legislative priorities developed by members, member committees, and the Board of Directors. Defensive Priority bills are bills that required significant amendment, protection from amendment, or opposition to reduce or eliminate the negative impact on Virginia industry in relation to the priorities outlined in the VMA's Virginia MFG Competitiveness Plan.

Legislators are given credit for voting for the VMA position and penalized for voting against it. Some votes were not counted because there was no meaningful vote on the bill. No votes are weighted. The final "Grade" is determined by the 2022 vote score. The following percentages are graded A-F:

**A** 100-90

**B** 89-80

**C** 79-70

**D** 69-60

**F** 59-Below

All legislators scoring 70% (C) or better are honored with the VMAPAC Manufacturing Competitiveness Certificate. The recipients of top 3 scores in the Senate and House of Delegates are honored with the VMAPAC Industrial Strength Leadership Award (pictured below) to recognize their exemplary commitment to Virginia's manufacturing competitiveness. Industrial Strength Leadership Award winners receive a trophy, recognition, and VMAPAC financial support. Certificate winners are recommended to all members for political action support.
